The Annual Report showcases the achievements and glories of our school undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality.

We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership and more.

Excellence in academics is the hallmark of any good institution and classes 10<sup>th</sup> and 12<sup>th</sup> results of the school prove without any doubt that our students made us proud.

None of these achievements would have been possible without the single minded commitment and dedicated care of our teachers. We are also constantly encouraged by parents and well wishers who have shown much confidence and given their fullest support. I wish to acknowledge the efforts and guidance of our management as their collaboration and contributions have made a difference. We are adopting various measures to achieve our goal. Extra coaching classes for the Board examinees, regular weekly tests and special counseling sessions for children are some of these steps.
